Dear Prospective Business Vendor,

The Cherry Point Officers' Spouses Club is pleased to launch our 2011 Vendor Blender Business Expo. This event will be held on Thursday, September 15, 2011 at Miller's Landing aboard Cherry Point from 1:00 - 6:00 pm. This exposition gathers our club members and other military community members to introduce them to numerous activities, volunteer opportunities, and services throughout our community.

We are especially welcoming military spouse business owners to participate in our exposition. Due to limited space, all businesses or consultants/directors with the same company applying for a booth will be accepted on a first come, first serve basis. This will allow us to have more diversity as well as to increase the interest of those that attend the event.

Once we receive your contract and payment in full, we will send a confirmation via email notifying you that your space has been reserved. The request for access to a power outlet cannot be guaranteed, but your request will be fulfilled on a first come first serve basis. We will do our best to accommodate your needs. A draped table and two chairs will be provided for each booth.

We will not be able to allow vendors to sell merchandise during the Vendor Blender Business Expo.

During the event we will be announcing door prizes. Both gift certificates and merchandise are welcome. We will be providing each guest with a card listing all participating businesses/vendors. They will have the opportunity to visit every booth to get your small stamp or initial by your business name. When their card is completed they will be eligible to be entered into the drawing for the door prizes. This will encourage attendees to visit every vendor at the exposition.

The Cherry Point OSC thanks you for your support and participation in making the Vendor Blender a success for our spouse clubs and our military community! We look forward to hearing from you soon.

Sincerely,

Joy Harmon
