

# THE NEWSLETTER OF THE CHERRY POINT OFFICERS' SPOUSES' CLUB — THE CHERRY CHATTER

VOLUME 3, ISSUE 3

FEBRUARY, 2011

## *PRESIDENTS CORNER*

Happy New Year!

I hope your introduction to 2011 has been a good experience! Many of us spent valued time over the holidays with loved ones; while others are awaiting the return of their loved ones from abroad. Your Board Members' sincere hope is to support our immediate military community through the opportunities available through our club.

February will be filled with committee planning meetings and "heels on the ground" labor that will promote our upcoming fund raising events. We will also have a casual "Cocktails and Cammies" social at the Officer's Lounge at Miller's Landing on the eleventh of February.

Our largest fundraising and social event, Time, Talent, and Treasure Auction and Wine Tasting, is on March eleventh. This event raises funds for participating Cherry Point units' spouses groups and for the OSC Scholarship and Assistance Programs. It will be a fun night of live and silent auctions, fine wine, and heavy hors d'oeuvres. Registration forms for the evening can be found in this newsletter and on our website under the T3 tab. The evening is open to the public; so please invite your friends, neighbors, and co-workers.

April brings the annual Joint Luncheon on the fourteenth for the Officers' Spouses' Clubs of MCAS Cherry Point, MCB Camp Lejeune, and MCAS New River. Trevor Romain from the Trevor Romain Foundation will be our guest speaker sharing ways to support our military families through life's challenges, inspiring us to Live, Laugh, Love. Our Scholarship and Assistance Committees will also be sitting to decide our final recipients in these programs. We were able to contribute \$21,340 to our community in assistance grants this past fall and \$1,000 to the Chaplain Holiday Food Voucher Program.

May brings our elections for next year's board (so be thinking for which position you would like to run). The ballot will be compiled in April. We will also be finishing off this club year with our very special Scholarship and Volunteer Appreciation Reception on the fourteenth of May.

Different seasons of life often dictate what type of donations we can make, but please know that all donations are welcome: time, labor, attendance at events, thrift shop donations, thrift shop and gift shop customers, advertising our scholarship and assistance programs by word of mouth and email. If there is a way we can support you, please let us know.

Joyfully,  
*Joy Harmon*

## VMGR-252 Gearing Up for a Busy Year

The OTIS family farewelled 2010 with many events in December, including a hail and farewell, Officer's Christmas Party, Family Christmas Party in the 252 hangar (where Santa Claus came to town on a C-130), and a squadron holiday luncheon that ensured every Marine in the squadron, whether they were able to return home for the holiday or not, had a holiday meal with good food and fellowship. VMGR-252 had also planned to have a float in the Havelock Christmas Parade, but the event was rained out. All the hard work that went into decorating the float was appreciated at the Family Christmas Party, though. Thanks to all the families who participated in these events, and to our wonderful FRO, Courtney Thorud, who is also a military spouse.

Many of the OTIS Marines were deployed at this time and continue to be deployed into 2011. Please keep our deployed military services members and their families in your thoughts and prayers every day.

In December and January we welcomed many new babies into the OTIS family. Congratulations go out to the Fergus family, the Butler family, the Stolzenberg family, and there are more little ones on the way! It's a wonderful time to be in the squadron.

The 252 officer spouses got 2011 underway with a January get-together at the home of Sarah Biss. Sarah offered a great idea in organizing a food drive to help those less fortunate to go along with the traditional spouses' coffee, with all donations going to the Food Bank of Central and Eastern NC.

Kristy Betz will host the February spouses' get-together, and looking towards March, VMGR-252 has a Change of Command in store where the squadron will welcome the Moses family to the squadron and say goodbye to the Morris family.

Here's to the New Year! To all our military spouses, thanks for all you do!

Best wishes!

Hello to All,

I hope everyone had a great Christmas and that this New Year has started out fulfilled. This is my first time contributing to the OSC Newsletter so I'll recap some of the past moments we at CNATT have done and what future events we plan to do.

In the last half of 2010, Paul and I have established our position in CNATT after he took over Command in July. We, like all newly stationed families, had to restart our regular way of life: enrolling our 7 year old daughter Jessica into school and for me to work as a nurse in the OR. But just when we thought we had all our life schedules well balanced and manageable, we had an unexpected second move out of base housing. Through all this disarray, our dedicated Family Readiness team continued to plan and execute fun events for the CNATT families such as the Fall Festival while the CNATT Staff supported community events such as Toys for Tots and assisting Havelock Elementary students put care packages together for the deployed Marines in Afghanistan.

We resumed our busy schedule celebrating the Marine Corps 235<sup>th</sup> Birthday Ball for the CNATT Staff which was held at the Hilton Riverfront in New Bern. Our guest speaker was SgtMaj Earnest Flowers III who was accompanied by his lovely wife Dawn. The following week we enjoyed another Marine Corps Birthday Ball with the students of CNATT at the Havelock Tourist & Event Center. This was my first opportunity to experience the vastness of our Command...what a fun group of Marines and spouses we have in our unit! We ended the year with the CNATT's annual Chili Cook-off and Family Christmas Party. Without the help of our CNATT Owls, Family Readiness team and volunteers, we couldn't have had such an enjoyable experience this past year.

In this New Year, we will continue to plan for the same successful events and new ones such as the Family Readiness Appreciation Day, CNATT Family Picnic and a Dining Out. Again, I would like to mention the ladies that have stepped up to help with the planning, preparation and producing of such great events for the CNATT families. Your time is valuable and the CO and I are truly blessed and proud to have you all in the unit. Let's begin this year keeping warm with those we love and always remembering those in harms way.

Greeting from MALS-40!

For those of you who are not familiar with MALS-40, it falls under 2d MAW and is comprised primarily of marines and sailors from Cherry Point, Beaufort, and New River. MALS40 was activated in November 2010 for the sole purpose of providing aviation logistics support to 2d MAW Fwd. The advanced party deployed late January with the main body expected to leave early February. The deployment period for MALS40 is expected to be a year. During these months MALS40 families here at Cherry Point will pair up with MALS14 for family functions and social engagements.

Occasionally, when our marine is deployed we may not know who to contact for certain needs. If you have any questions that I may be able to help with, please do not hesitate to contact me. April Walker, Family Readiness Officer for MALS14 is an incredible resource. Her contact information is phone: 252.466.2432 and email: [april.walker@usmc.mil](mailto:april.walker@usmc.mil). The MALS40 marines and sailors and their loved ones are in Bubba and my prayers daily as are all of those who serve our nation.

Fondly,

*Anne Harper*

Winter Greetings from HMH-366:

The Hammerheads had a busy fall and we are looking forward to the spring and some warmer weather! In October we hosted our fall Hammerhead day, with a cookout and a slide show of our Marines and Sailors in Afghanistan. On

Halloween, the little ghouls were out at the hangar for trick or treating, but I think the adults had more fun than the kids! In November, we had an event for the deployed spouses so they could paint Christmas ornaments and stuff a stocking for their Marine or Sailor. We would like to extend a huge thank you to the USO for donating all the items for the stockings. On November 13, we celebrated the 235<sup>th</sup> birthday of the Marine Corps at the New Bern Hilton. Everyone looked wonderful and had a great time! In my opinion, there is nothing better looking than a Marine in their dress blues! We hosted a squadron Christmas party at the hangar on December 11, and Santa rode a CH-53E this year! We welcomed home our advance party from Afghanistan on January 16. We are now anxiously awaiting the return of our main body Marines and Sailors. I know their families are counting the days. Things are very busy around the squadron, but our

families continue to amaze us with their unselfish CAN-DO spirit. Trey and I are proud of them and proud to be Hammerheads!

Best Wishes,  
*Tracy Meadows*

**Tuesday Lunches for Whistle Stop Volunteers:**

If you or your unit would like to provide a lunch for the Whistle Stop volunteers on a Tuesday in February or March, please reply to Joy at [cherrypointosc@gmail.com](mailto:cherrypointosc@gmail.com). There is an average of 12 volunteers on Tuesdays. The lunch needs to be available to the first lunch shift by 10:45. This is a great and easy way to support and thank these volunteers - some of which spend 12 or more hours a week keeping the thrift shop running so that funds are raised for our scholarship and assistance programs.

Thanks to MALS 14, Maggie Potts, and Shawn Alexander for committing to the January lunches!

Thanks!  
Joy

The Cherry Point OSC expresses much gratitude to the folks of DS&S Embroidery. They embroidered and donated large tote bags to each of our more than 20 Whistle Stop Volunteers as a holiday gift. Mrs. Hojilla is a volunteer in our thrift shop. Your generosity and quality is much appreciated!

Whew ya'll December and January flew right on by.....

The Dragons were busy being social throughout December, with the All-Squadron Christmas Party on the 4th, an Officer's Christmas Party on the 11th and a Family Readiness Party on the 16th. We welcomed a new baby dragon right before Christmas and showered her with home cooked meals from several of our ladies. Thank you all for rallying to welcome our new dragon!

Several Dragon ladies took a day long LINKS class on January 19th and are now prepared with all they need to know for this wonderful Marine Corps life. By the time you read this we will have had our first Officers' Spouses coffee of the year at my house on Wednesday the 26th . Hopefully we are well on our way to a great T3!

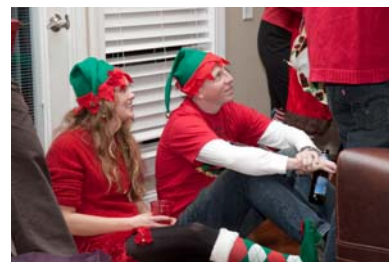

As always with MALS, we have lots of folks coming and going. Our 542 Marines returned in January, and we are saying goodbye to our MALS-40 and 252 Marines. Our blessings are with each and every one of them during this deployment. Stay warm in the crazy weather!

Shelley Goulette

Happy New Year from VMA-231! Our unit has been busy since November. We celebrated the USMC Birthday Ball in fine fashion at Miller's Landing. It was so wonderful to have a new venue for this awesome occasion. Though the sound system did not work our unit moved the dancing into the bar where the jukebox partied with us into the wee hours.

In December, the Lady Ace O'Wives proudly donated \$250.00 to the Marines Helping Marines Fund. Our OSC members old and new thoroughly enjoyed the Christmas ornament exchange at Carol Davis' home. It was the perfect example for our newest members of how fun OSC is. Our spouses of all ranks enjoyed making ornaments and decorating our Ace of Spades Christmas tree for the "Winter Wonderland" Christmas tree decorating contest. In addition, we had two spouses, Cori Ammon and Chelsea Shephard place in the top three for the baking contest. To follow up the "Winter Wonderland" and to kick off our leave period the Aces put on their tackiest Christmas attire for a Christmas party at the Williams home. Everyone rose to the occasion donning the worst imaginable holiday garb. Last, but not least, the Ace of Spades are FINALLY home in their newly renovated squadron after 7 months of moving about and are truly excited about our new surroundings.

January has been full of excitement! We had a Girl's night out with dinner at Persimmons followed by continued fun at the Harvey Mansion. Our MEU Detachment chopped to the 22<sup>nd</sup> MEU Ace, which will sail sometime in July. Hence, the MEU O'wives traveled to Camp Lejeune for a "Meet and Greet" coffee to become acquainted with these spouses and the FRO for their detachment. This event was co-hosted by the Commanding Officers' Spouses of: *HMH-366, HMLA-167, VMA-231 & VMM-263*. It was a wonderful way to start off the sometimes daunting MEU adventure! We had plans to dress in James Bond elegance for a Hail and Farewell "Casino Royale" style; however, the unpredictable NC weather prevented our fun! The Ace of Spades are looking forward with great anticipation to the busy months of 2011. VMA-231 wishes you and yours all the best in the coming year!

*Cheers! Chandra Williams*

*Serving our military community at MCAS Cherry Point since 1975!*

The spouses of MACS-2 enjoyed a festive Holiday season. The ladies of MACS-2 gathered for an ornament exchange and exchanged snow balls as well. The snow started falling during our December coffee, and we took to the yard and had a snow ball fight and built a snow man. We finished off our little snow man with green M&M eyes and a baby carrot for a nose (see picture). Our December coffee hostess, Janie Tillery, also focused our Christmas spirit and coordinated our efforts to adopt a local elementary school child in the class she teaches. As well as bringing ornaments to exchange, we

brought Christmas gifts for the child we "adopted". The squadron families enjoyed a Christmas/Holiday party at the Cherry Tree house complete with a full Christmas dinner, a skit, crafts, and a visit from Gunny Santa.

The snow added to our December coffee, however, it cancelled our January coffee. Hopefully, the weather will cooperate for our next get together.

Until next time,

*Michele Richie*

Happy 2011  
Everyone!  
We hope everyone  
had a wonderful  
holiday  
season! Ending  
2010, VMAT-203  
arrived home from  
Yuma, Arizona after

completing their "Turkey Bowl" deployment on December 15th. It was just in time to celebrate the Christmas season with VMA-223, 231, and 542 and MAG-14 at the Winter Wonderland party on December 17th. It was a festive occasion and so nice to spend it with members of our extended harrier family.

To begin 2011, our lunch club met at Talk of the Town this month in Havelock and our monthly get-together was at The Ruddy Duck Tavern on the waterfront in Morehead City. We held a Hail & Farewell on January 20th at Miller's Landing where we had to say goodbye to our newly minted harrier pilots. But we got to hail a new class of replacement pilots as well as welcome 4 new instructor pilots.

The next weapons training deployment, "Broken Resolution," is leaving for sunny Yuma, Arizona on January 24th and will return 6 1/2 weeks later on March 11th.

Until next time!

**Jennifer Rake**

MACG-28 and MTACS-28 have undergone Change of Commands recently. MACG said farewell to Col. and Mrs. Merchant, while welcoming Col. Devine and MTACS said farewell to LtCol. and Julie Weaver and welcomed LtCol and Mrs. Bajus. The two wives groups have combined and look forward to keeping busy and having a lot of fun in the upcoming months. In January, the ladies got together and enjoyed some hot soup on a chilly day while discussing the upcoming T3 auction. We bounced around a lot of creative ideas!
